

# Dollars & SENSE

Our Community. Your Credit Union.™

For those who don't know, The Tour de Rock (Cops for Cancer) is an RCMP bike riding fundraiser that begins at the north end of Vancouver Island and covers the west, east and south coasts. Riders travel over 1000 km during this two-week event to raise funds and awareness for children living with cancer. Funds raised are used for childhood cancer research and to send kids to Camp GoodTimes, a place where children fighting this terrible disease can feel welcome, accepted and understood.

## WALL OF HEROES

A new mural by artist Kelly Everill will be painted in the lower parking area of LDCU, highlighting the continuing need to strive for a "path to a cure". The mural will detail a scenic view of trees and a path, but the focus will be on an English-style rock wall symbolizing solidarity and strength. For a minimum donation of \$50.00, donors can have the name of their cancer "hero" painted on the wall. Open to everyone, the "hero" in your life may be a cancer survivor, someone who carried the torch, or even a caregiver (those who have carried others as they walked their journey).
